Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 16 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry this morning. Rain spreading eastwards this afternoon.

Today:
Most places dry this morning with early brightness. Thickening cloud bringing a little rain to western areas by afternoon. The rain becoming more persistent and extending to many areas later this afternoon with heavier outbreaks this evening. Strengthening southerly winds. Maximum temperature 14 deg C (57 deg F).

Tonight:
Cloudy with persistent rain, heavy at first, turning lighter overnight and dying out in many areas by morning. A much milder night with winds becoming lighter. Minimum temperature 12 deg C (54 deg F).

Sunday:
Mainly dry with just the odd drizzly shower remaining. Also rather cloudy with just a few brighter interludes. A mild day with light winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
An unsettled few days. It will be mainly cloudy and mild with some outbreaks of rain. The rain will become more persistent and heavier on Wednesday. Quite windy at times.
